Designed for generous living

Designed for contemporary family living, Residence Three brings together generous proportions, expansive spaces and indoor-outdoor connection.

At the heart of the home, the open-plan kitchen, dining and living areas create a generous setting for everyday life and entertaining, extending to a substantial alfresco. A ground-floor fifth bedroom adds flexibility for guests, family or changing needs.

Upstairs, four bedrooms are complemented by a rumpus and generous master suite with walk-in robe and ensuite, creating a private level to retreat and unwind.
